

Brief Report on Completed Programme

School of Finance conducted a Programme on General Banking & Soft Skills for 80 Young Probationary Officers of UCOBANK from 19th May to 31st May 2014. The batch of 80 was split into 2 classrooms to ensure proper attention to all the participants. The guest faculty invited were former General Managers and Deputy General Managers having very long experience in Banking. Soft skills sessions were handled by experts in the related field.

The participants were provided a comprehensive input in all the areas of general banking & important soft skills. To refresh them soft skill development games were played in between. Group discussion and Group Presentation exercises were conducted to sharpen team building, presentation and delivery skills. These young minds were thus groomed to be successful bankers and future leaders in the industry. The Programme received excellent feedback from all the participants without exception.
