

School of Finance conducted a 6 days programme on Issues & Perspective in Lending to MSME, Retail & Agriculture for 30 officers of Indian Bank from 3<sup>rd</sup> to 8<sup>th</sup> February 2014. It was a mixed group of junior as well as senior officers. In the Inaugural Event DG & CEO highlighted how the participants can also enrich their knowledge by sharing their experiences among themselves in a mixed group. He also stressed the need of correct pitching for the faculty so that the entire group remains interested in the programme throughout. The Programme brought out specific problems in financing to these sectors. The guest faculties were senior banking professionals and provided some practical perspective to resolve such issues. The programme was concluded by discussing some of the best practices. The industry representative described how industries themselves can together find solutions and the support available from Govt.
