

School of Finance conducts programme on Risk Analysis, Credit Appraisal and Lending Decisions

The School of Finance conducted a programme on Risk Analysis, Credit Appraisal and Lending Decisions for executives of Canara Bank from May 5th to 10th, 2014. The sessions were conducted by Mr. Hrishikes Bhattacharya, ex-Professor of Finance & Banking, IIM Kolkata. The programme was attended by 35 employees of Canara bank from across the country. In a departure from the traditional theoretical manner of teaching Credit management, the programme analysed risks inherent in the appraisal of Working Capital and Project Finance proposal with the help of illustrative case studies from both the manufacturing and the trade & services sector. Risks in seasonal industries and high growth companies were also discussed.

The programme was highly interactive and was appreciated by all the participants.
