

### **Third Two-Day Residential Management Development Programme on 'Strategizing CSR Projects for Sustainable Development: Implementation, Monitoring & Way Forward Action'**

The Centre of Excellence for Sustainable Development, IICA conducted the third two-day Residential Management Development Programme on 'Strategizing CSR Projects for Sustainable Development: Implementation, Monitoring & Way Forward Action' for the Indian Corporates on May 28 & 29, 2015, at the IICA campus in Manesar.

The event saw the participation of representatives from various sectors such as automotive, power, engineering, petroleum, Hospitality, FMCG, banks, construction firms, foundations, etc.

The programme commenced with an inaugural address by **Shri A.B. Chakraborty**, CSO & Head, CESD IICA, setting the context & defining the concept of Inclusive Sustainable Growth and Development. The key speakers present at the inaugural session were **Sh. Ashok Pavadia**, Additional Secretary, Ministry of Home Affairs, **Sh. Pritam Singh**, Additional Secretary, Ministry of Corporate Affairs, **Sh. Manoj Kumar**, Joint Secretary, **Smt. Sibani Swain**, Economic Adviser, Ministry of Corporate Affairs and **Dr. Bhaskar Chatterjee**, DG& CEO, IICA.

The inaugural session was followed by technical sessions that highlighted topics such as the Sustainability Risks, Challenges and Opportunities with a focus on developing strategies, good practices and innovative technology solutions across 12 sectors. Designing CSR Projects within the National and Global requirements of Sustainability and Inclusive Growth while keeping Sustainable Development in focus was the key theme.

The programme also included illustrative case studies on project Implementation in the area of Renewable Energy (Wind-Solar Hybrid Solutions), Smart Microgrid, Safe Drinking Water, Water Harvesting, Biogas applications, Biodiversity, Biomass & Solid Waste management.

The programme concluded with a detailed discussion on the essentials of CSR project/programme Monitoring, Evaluation, Impact Assessment & Reporting.
