

## **Inauguration of Data Access card & RemoteXs at Knowledge Resource Centre, IICA**

The Knowledge Resource Centre, IICA inaugurated its Data Access card system on February 10, 2015 at Manesar campus.

The inauguration commenced with the ribbon cutting ceremony and lighting of the lamp by the chief guest Dr. Bhaskar Chatterjee, DG&CEO, IICA.

Mrs. Lata Suresh, Head-KRC, extended a warm welcome to the chief guest and IICA staff and faculty members. She gave a detailed presentation on the applications of the Smart card system and other services and facilities offered by the KRC. She also informed the gathering that the KRC would now be accessible round the clock to all its members with the help of the Smart card system.

Ms. Suresh's presentation was followed by a brief presentation on RemoteXs and its features by Ms. Megha Balani and Mr. Amit from M/s balani Infotech Pvt. Ltd.

Dr. Bhaskar Chatterjee, DG & CEO, in his address to the staff members and faculty said that, "This is a 'red-letter' day for IICA. I must congratulate Ms. Suresh for transforming a Library into a Knowledge Resource Centre in a short period of time. However, this is just the first step and we all know we still have a long way to go. Having created this infrastructure, we must also begin to use it in order to fulfil the vision it was created with.
