

Management Development Programme for National Backward Classes Finance & Development Corporation (NBCFDC)

The School of Corporate Governance and Public Policy, IICA, conducted Management Development Programme (MDP) for Managing Directors and Senior Officers of National Backward Classes Finance & Development Corporation on February 5 & 6, February 19 & 20, and March 2 & 3, 2015 in Chandigarh, Thiruvananthapuram and Guwahati respectively.

National Backward Classes Finance & Development Corporation (NBCFDC) is a non-profit company under the Ministry of Social Justice and Empowerment, Govt. of India, that promotes economic and developmental activities, skill development and self-employment ventures through financial assistance, Micro Financing through State Channelizing Agencies (SCAs) / Self Help Groups (SHGs).

The programme included sessions on themes related to corporate governance and organisational and operational aspects of business. Topics discussed during various sessions were Key Provisions of Companies Act 2013, Leadership and Corporate Governance, Entrepreneurship & Skill Development, Microfinance & Inclusive Development, CSR for Business Strategy, Project Development, Financial and e-marketing strategies. Around 40 people participated in the MDP programme.

The programme was well received by the participants who found the sessions informative and useful in addressing issues and challenges of businesses.
