

IICA signs MoU with National Institute of Securities Markets (NISM)

The Indian Institute of Corporate Affairs (IICA) signed an MoU with the National Institute of Securities Markets (NISM) on February 25, 2015 at IICA campus in Manesar.

The MoU was signed by **Dr. Bhaskar Chatterjee, DG&CEO, IICA** and **Dr. Sandeep Ghose, Director, NISM.**

Dr. Ghose said, "In today's time it is a major challenge for institutes like IICA and NISM to find synergy between all its schools and centres and make sure each department is running with the same pace. This MoU is a major breakthrough in our relationship. With a setup like IICA, we feel we can do a lot of work together in the future, whether it is with the government or market participant. For a workshop on ethics and governance, I believe, there is no better organisation than IICA, which has a comprehensive control of the Companies Act and NISM, which has comprehensive control on the listed agreements for the market participants."

Dr. Chatterjee said, "IICA and NISM share a great deal of regard, respect and esteem for each other. It gives me both professional and personal satisfaction that our institutes are now linked formally and we are about to map out a course of action in which we can demonstrate our respective strengths and our synergies."

The scope of the MoU is mainly to educate and train the officers and staff of Ministry of Corporate Affairs, Schools and Centres of IICA, who are dealing with Corporate and allied matters and other institutions having similar objectives.

Others present at the MoU signing ceremony were **Prof. Sunder Ram Korivi**, Dean, SSE, NISM, **Mr. Alok Samantarai**, Director, ICLS Academy, **Mr. J.K. Jolly**, Joint Director, ICLS Academy, **Mr. Atul Dev Sarmah**, Head, Centre for Institutional Partnerships & Corporate Communications from IICA along with other senior staff and faculty members.
