

One Day Comprehensive Workshop on CSR
“What Corporates Want and How to Deliver it???”

21st December, 2016

IA HUB, NFCSR, IICA Manesar Campus

REPORT

Implementation Agency Hub, NFCSR organised a One Day Comprehensive Workshop on CSR for NGOs - “What Corporates Want & How to Deliver It???” on 21st December 2016 at IICA Campus, Manesar.

This training was conducted exclusively for NGOs to train them for various requirements of Corporates to build a healthy & sound long-term business relationship. It was attended by various participants from various NGOs including Plan India, CankidsKidscan, Pallium India, iPartner India, CIBART, Action India, Wildlife SOS, Vijayash Foundation, etc.

The Workshop was focused on the challenges which the NGOs come through to build a strong and trustworthy business relationship and a robust reporting structure as per various guidelines of CSR under Companies Act. A detailed discussion was taken up to understand Section 135, Section 134, CSR Rules & guidelines, Project and Programme mode, Reporting and Documentation on CSR.

Overall the participants were utmost satisfied with the Agenda of the Workshop. Participants were very satisfied by the knowledge shared by Ms. GayatriSubramaniam and Ms. Geetanjali Gaur regarding the National Voluntary Guidelines, DPE Guidelines, related sections of Companies Act 2013 and reporting framework etc. Participants were very enthusiastic & the breakout session was a highlight of the workshop where the participants were divided into different groups and they worked on different CSR projects on different themes and every group presented their respective projects. It helped them to understand the challenges they face in planning and execution of the CSR projects. All the participants were awarded with a participation certificate at the end of the workshop.
