

2-Days (Residential) MDP on “Strategizing CSR, Sustainable Development Goals: Projects Design, Implementation, Monitoring, Reporting and Way Forward Action” on July 6-7, 2017 at IICA, Manesar

Sh. A B Chakraborty, CSO & Head IICA-CESD welcomed the participants for the subject programme. Prior to start of the programme, he touched upon the curriculum, programme delivery and other related information. He introduced Dr. Navneet Sharma, Head, School of Competition Law & IICA Academic Committee, prior to his inaugural address.

Dr. Navneet Sharma, Head, School of Competition Law, briefed participants about the unique experience of attending this programme and the learning which is going to be both horizontal and peer to peer learning. The programme covered majority of thematic issues and the urgency to attend sustainability issues off late have also intensified. There is new intensity towards programme implementation. While Section 135 has brought in new dimension including board level safety committee, safety policy, annual programme etc, the framework provides adequate measures to ensure programme effectiveness. How to design a good CSR programme with sustainability initiatives, you will learn during the programme to great length. Your 2 days programme is going to be very intense and memorable. Please enjoy your stay and the campus facilities including gymnasium and library. IICA’s journey has just started and in future you will find more and more programmes from different schools and centers. I wish the participants all the best.
