1	Aanchal Saxena	ICP-CSR Course has been an added advantage to my knowledge in the field of development sector. The exposure was not only much needed but also fulfilling for my future endeavors. It was also great way of networking.
2	Janhavi Malhotra	"The stint of the CSR program at IICA, albeit short, was an invaluable experience. The course structure lent us, students, an insight into the concept of CSR in various dimensions. I was able to gain an in-depth knowledge from the projects undertaken as part of the coursework, which helps me to plan, organize and execute CSR processes more effectively at work. Through the certification, I had the chance to realize my passion for sustainable development and understand how to drive it. I am thankful to the faculty for their support in making it possible for me to rank number 1 in my batch."
3	Adil Jamil	"The syllabus is information overloaded about CSR landscape of India. Corporate & NGO attachment gives first hand learning experience, however Sustainability didn't get equal space in the syllabus"
4	Anil C Mandrupkar	Really, it is outstanding Course launched by IICA since 2015 which helped me a lot in Understanding What is CSR and its critical elements. Great opportunity for working professional And those who have passion for serving community. I strongly recommend to opt for this course and do not miss opportunity

5	Raghvendra Prasad	The ICP course by IICA pulled me out completely of my cozy zone and aroused so much interest that it letting me venturing into a dive deep in to ocean of learning on CSR with Industry peers. Doing the course apart from fun two things happened to me. One is self-awareness to clearly know my values, priorities, and purpose and other is self-confidence to pursue these even in very uncomfortable situations.
6	Deepak Matti	The course have good insight into the CSR law and the CSR practices. The Corporate attachment and the NGO project gave good knowledge and experience of working in the field.
7	Alpana Khandelwal	It was a excellent initiative taken by IICA. This course helps me in exploring more about CORPORATE SOCIAL RESPONSIBILITY(CSR). Internships provided under this course curriculum is a good way for understanding about the NGO working & Corporates. This course helps me in my personality development through interaction with well qualified professionals. this course give me a path so that i can do the welfare of the society through different ways.
8	Shahzade Nabi	I am extremely happy with the course 'IICA Certificate Course in Corporate Social Responsibility' undertaken at IICA. This has helped me in understanding and leveraging the CSR endeavor and has benefited me to a great extent. The faculty and support is great and I would recommend folks looking at CSR to undergo the said training.

9	Iccha Ganjoo	" IICA's ICP in Corporate Social Responsibility (CSR) course not only provides an understanding about CSR by way of a robust curriculum and exhaustive study material but also provides an opportunity to learn by interacting with experienced individuals with varied backgrounds. What adds to the attractiveness of this course is the learning that it provides about CSR from different perspectives viz. Corporates and NGOs. Differentiating itself from other online courses, this course comprises of well thought off test series with regular interactive sessions with the trainers. I can very well say that this course has helped me immensely in developing a wholistic understanding of CSR and given me an added professional advantage."
10	Keshav Arora	Is there a difference between a social worker and a CSR professional? Practically, one will have to experience the both to deliver an acceptable answer. But what is the eligibility criteria to serve as a CSR profile manager?
		Such questions haunted me when, in order to pursue my passion, I switched from mechanical engineering and started serving in the social sector. And I found a solution in the form of the ICP-CSR course wherein I not only found answers to my queries but also got an edge with the phrase "Certified CSR professional".
11	Varun Srivastava	I am really happy that i got the opportunity to get enrolled in CSR certification course from IICA. This is one of the best Course i have taken till now. I enjoyed every part of it, whether Corporate attachment, NGO attachment or even the sessions at associate study centers. I have learned a lot about CSR with practical experience. Thank You IICA for this beautifully designed course.

12	Dhan Pal Kaushal	I enrolled for the one year certificate course from IICA and is now qualified CSR professional. Thanks to IICA for making the course interesting otherwise at this stage when we are already preoccupied with official assignment it becomes challenge to spare time. I recomend this course to all those who wish to pusue career in CSR, or are doing CSR or NGO. This will help to deliver the results as per the expectations of the government. I wish IICA good luck for making such coursrs interesting.
13	Amardeep Singh	"An excellent course with multi-disciplinary approach offering professional training and guidance for better understanding of CSR concepts, theory, practical aspects and effective implementation of CSR in an organisation".
